

HOPKINS ELEMENTARY SCHOOL STUDENT DROP-OFF and PICK-UP REMINDERS

Parking and Student Drop-off

We have had some safety concerns with student pick-ups and drop-offs, especially in the afternoon. Please review the following guidelines for parking and student pick-ups and drop-offs.

Morning Drop-off

- Use kiss-n-go lane to drop off students
- Do not park along fence next to playground. This area needs to be clear for the buses.
- If you park across the street, please walk your child across the street at the nearest intersection.

Afternoon Pick-up

- Students should only be picked-up in the kiss-n-go lane. Students should not cross the street to get to cars by themselves.
- Please do not park your vehicle by the fence and get out of your car. This space is reserved for people picking up their students in the kiss-n-go lane.
- Buses park near the stairs, please do not park there.
- Do not park in the access lanes in the front of the school. This is reserved for day care vans/buses.

Supervision begins at 8:25 am
School begins at 8:36 am; students should be lined up by 8:31 am.

Pre-K and Kindie parents: parking is allowed in the front of the school. All other parking should be in the side parking lots, if possible.
